

How do I add bags or seats to my reservation?

Last Modified on 08/19/2022 4:39 pm MDT

You may buy seats and bags at the time of booking and after booking.

If you already bought a ticket:

Add seats and bags by going to **“My Trip”** and enter your **“Last Name”** and **“Confirmation Code”**, then press the **“Search”** button.

Select either **“Add Seat Selection”** or **“Add Baggage”** depending on what you need to add. Then follow the steps to complete your request.

If you want to buy bags/seats at Check-In:

You can also add seats and bags when you check-in online within 24 hours of departure. Check-in for your flight going to by going to **“My Trip”** and enter your **“Last Name”** and **“Confirmation Code”**, then press the **“Search”** button. You can check-in for your flight and add bags/seats at the same time.
